Work Experiences

Web Master

As a webmaster at Drops of Change, I had the opportunity to work with a team of passionate individuals dedicated to making a positive impact in the world. My role involved managing and maintaining the organization's website, ensuring that it was user-friendly, up-to-date, and reflective of our mission and values.

Freelancer

As a freelance web developer, I have gained a lot of experience working with different clients on various projects. I have had the opportunity to work on projects ranging from simple static websites to complex web applications.
